

**Learn more about how making your restaurant completely smoke free can lead to a healthier, more profitable business.**

**Call (803) 530-6720 or visit [www.smokefreesc.org](http://www.smokefreesc.org).**

## **ATTENTION RESTAURANT MANAGER**

### **Did you know that...**

Smoke-free policies don't hurt restaurant business, and usually boost it?

Separation of smoking and nonsmoking sections within the same air space does not eliminate nonsmokers' exposure to secondhand smoke?

Ventilation systems can't remove the toxic chemicals in tobacco smoke?

Owners of restaurants that allow smoking could be liable if an employee develops an illness from breathing secondhand smoke?

Restaurants that allow smoking may violate the Americans with Disabilities Act?
